Hi Lisa: I was able to fill out some of the messages and provide more answers. This has made me realize that there are more questions we probably could develop. Limiting it to the most important ones could be a challenge!

Let me know what you think and I would be happy to meet to discuss if you are in Friday. I would like to get this out for Sarah, Lucita, and Valois' review by early next week. While we don't expect to issue our draft permits til mid October, I know this document will need review up through Shaun and will be part of the his briefing package in late September.

Here is a timetable on the Comm Strat we have proposed to Darcy:

2	2	Communication Strategy				
2	a	Complete draft	Coordinate with OCPI (Lisa McClain-Vanderpool) and send draft to Sarah, Valois and Lucita for comment.		Lisa M-V/Douglas	09/02/16
2	b	Share draft with OGWDW (Holly Green)	Ensure HQ is fully up to speed on our proposed actions and ready to coordinate on Agency responses to questions from the press, etc.	1g	Douglas	09/09/16
2	c	Share draft with R8 senior management	Incorporate OGWDW's comments and submit to ARA and RA with permit briefing documents.	1g	Lisa M-V/Douglas	by 09/27/16
2	d	Finalize	Incorporate ARA and RA comments and distribute final within R8 and to OGWDW		Lisa M-V/Douglas	by 10/14/16

Since it took me a week to respond to your email, any delays are on me!

Thanks again for help!

Douglas

Here's a draft. Once I see all the answers to the questions I will probably revise the messages.
